## **EU REACH Regulation - SVHC Information Disclosure Notice**

In accordance with the EU REACH Regulation EC 1907/2006, Article 33, we hereby inform you that the following substances from the ECHA Candidate List are present in the products listed below at a concentration greater than 0.1% (w/w).

Product Name: Cutting Plotter

Model Number: FC9000-75, FC9000-100, FC9000-140, FC9000-160

Application	Contained substance	Cas No.	Contents (% by weight)
Nickel plated brass parts Cross cutter dog, Spacers for RS232C I/F connector, Spacers for Media stocker Roller, Push roller stopper, Stoppers for Dog (Cam Sensor), Spacers for board mounting	Lead	7439-92-1	3.7%
Silicon rubber sheet in the control panel Serial Number: as from B11110842	Octamethylcyclotetrasiloxane (D4)	556-67-2	0.3%
	Decamethylcyclopentasiloxane (D5)	541-02-6	0.5%
	Dodecamethylcyclohexasiloxane (D6)	540-97-6	0.6%
X Drive Pulley Assy	Melamine	108-78-1	0.25%

### Reference Information

This information, as of December 2023, is based on the latest ECHA Candidate List published in June 2023 (29th update, 235 substances).

### Safe Use Instructions:

- Under normal conditions of use, the substance is chemically bound and does not pose a risk of release.
- Wash hands after handling. Store in a cool, dry place.
- Dispose of waste in accordance with local regulations.
